Walgreens and VillageMD announced in July 2020 that they would begin a large-scale rollout of the in-pharmacy clinics after opening five trial clinics in the Houston area in November 2019.

The company is pushing to open between 500 and 700 Village Medical clinics at Walgreens pharmacies across the country by 2025. Most of the clinics will be about 3,300 square feet, with some as large as 9,000 square feet.
